A.W.A.Y. Program Privileges with YMCAs in Other Parts of the Country

Your YMCA A.W.A.Y. program privileges when you travel on business or pleasure to communities across the United States will remain. Each YMCA in the community where you travel determines their own policies on courtesy access. Details for YMCAs offering A.W.A.Y. privileges are available online at www.ymca.net.

Occasional Use of the Hastings Area YMCA

We understand that you may only want to use the Hastings Area YMCA on an occasional basis as a convenience. To accommodate that need, the Hastings Area YMCA will honor the YMCA A.W.A.Y. program and allow courtesy access up to 14 times in a calendar year. Courtesy access does not include membership privileges such as member rates on YMCA Swim Academy swim lessons or youth programs, free programs for kids and families, Fitness Reimbursement, guest passes, etc. Your A.W.A.Y. program courtesy accesses to the Hastings Area YMCA will be tracked for you. When you reach the 14x limit, you will be asked to sign up for a Multi-Facility Membership. Remember that the Multi-Facility Membership is sold an annual basis within the calendar year. If you anticipate using the Red Wing YMCA more than 14x in the year, sign up early for the Multi-Facility Membership for the best value.

We are pleased to provide this new membership option as part of our continued efforts to work cooperatively with the Hastings Area YMCA and expand YMCA services to even more people in this region. The Red Wing Family YMCA is an independent YMCA with its own management and governing board. The Hastings Area YMCA is a part of the YMCA of Greater Saint Paul

Association and is managed and

governed under that organization. We are two distinct and

separate organizations.

We are dedicated to a spirit of cooperation and support of each other's YMCA

members to provide the best possible membership experience.

How to Sign Up

If you would like multi-facility membership privileges at the Hastings Area YMCA, you will need to sign up there and pay the annual fee. Hastings YMCA Member Services staff will get you enrolled and provide you a Hastings Area YMCA membership card for their facility.

These membership privileges do not extend to the other 22 YMCAs that are part of the YMCA of Greater Saint Paul or YMCA of Metropolitan Minneapolis.

In making your decision as to which YMCA you should join as

your primary YMCA, we recommend you make that decision based on which YMCA you will be participating in the most programs, classes, activities, etc. For example, if you plan to have your children take swim lessons and participate in youth sports here in Red Wing, your primary membership should be here at the Red Wing Family YMCA.
