Welcome to the YMCA Camp Pepin Family!

As a part of the Red Wing Family YMCA of Minnesota, Camp Pepin is proud to have been serving youth and adults since 1935 on the shores of Lake Pepin near Stockholm, Wisconsin. For years, our staff have been committed to providing fun and safe experiences to campers of all ages in a beautiful outdoor setting.

Attending summer camp is a very exciting time for campers and parents, and it is natural for both to be a bit anxious about the camper leaving the comforts of home, adopting new routines, and meeting many new friends. With regard to this, we would like to familiarize you and your camper with our procedures to minimize that "first-day anxiety." The planning guide was designed for you and your camper to use as a reference tool. Please read through it to acquaint yourself with information that you will want to know about summer camp. If you have any further questions, we welcome you to direct them to either our downtown office at the Red Wing Family YMCA or our camp office in Stockholm.

We feel honored that you have chosen YMCA Camp Pepin for your summer experience, and look forward to sharing with you the values and traditions that have been, and continue to be, the foundation of our camp family.

Preparing for Camp

CAMP FORMS & PAYMENTS – ALL DUE BY JUNE 1ST

Included with this planning guide is a *Health Form*, a *Pick-Up Authorization Form*, a *Camper Information Form*, and a *Red Wing Family YMCA Waiver*. Please have these forms completed and returned, along with any outstanding payments*, to our Red Wing office by June 1st. If you register after June 1st, these forms and any payments must be completed and submitted to the Red Wing office at the time of registration. *Some specialty camps will have extra forms which can be found on the Camp Pepin website.

The Health Form must be completed by a parent or guardian each year that a camper attends camp, and the information on the form should be as recent as the last 12 months (1 year). If there are special medical problems, be sure to indicate them on the form. Under the rare circumstances that medical attention is necessary you will be billed directly from the medical facility. The emergency statement on the form must be signed so that immediate treatment can be given in the event that you cannot be contacted. Accident insurance will not be available to campers through the YMCA. The responsibility for the cost of medical care is assumed entirely by the camper and their parent/guardian.

**To make camp more affordable, YMCA Camp Pepin offers payment plans and camperships. Payment plans allow families to break down the camp tuition into smaller installments. Camperships are derived from a fund that is exclusively used to assist families in meeting the camp tuition (which pays for our summer camp operational costs). Donations to this fund supplement the balance between what families can contribute to the camp fee and the actual cost of tuition. Therefore, the health of our campership program and the number of campers and families that we are able to financially assist depends solely

on the amount of donations that we receive for this fund. If you would like to participate in either the payment plan or the campership program, or if you would like to make a donation to the campership fund, please contact the Red Wing Family YMCA for more information.

ARRIVAL AND DEPARTURE TIMES

Arrival Day:

On their day of arrival, campers should check-in at Camp Pepin between 2:00-3:00 pm. They will be greeted by camp staff, who will show them to their cabins and introduce them to their counselors. Please plan on arriving no earlier than 2:00 pm, as our staff will not be available prior to this time.*

Departure Day:

All adults who are picking up campers on their day of departure are invited and encouraged to attend our closing ceremony at 9:00 am. Campers will be checked-out and dismissed by their counselors following the ceremony. Campers should not be left past 10:00 am. Under no circumstances will campers be released to anyone not listed on the Pick-up Authorization Form without prior written notification.*

*In case of an emergency situation at Camp Pepin due to weather conditions or other circumstances, parents and guardians will be notified by the Red Wing Family YMCA of an alternate drop-off/pick-up time and/or location for their campers.

PACKING LIST

The following items are suggested for a comfortable and safe experience at camp. Please pack items in durable suitcases, backpacks, or duffel bags, rather than in plastic bags, which tend to rip easily (causing belongings to become lost). When Your Camper Arrives

OUR STAFF

Upon arrival, your family will be immediately greeted and escorted to your camper's cabin by several of our 30 young adults and camping professionals who are skilled in making campers feel welcome and at home. To qualify for a position at Camp Pepin, our staff members must go through a rigorous application and screening process (including multiple references and background checks) before they may even be considered for employment. Once hired, they participate in extensive, mandatory training sessions on safety and working with youth.

CABIN ASSIGNMENTS

Your child may request 1 person to be with them in their cabin. Requests must be same gender, close in age (within one year), and attending the same camp on the same dates. We will make every effort to accommodate every request, but **NO REQUEST IS GUARANTEED**. Multiple cabinmate requests are not accepted, because it does not encourage campers to meet new friends, and can also make campers feel left out of pre-existing clicks from others in the cabin that might have requested multiple cabinmates. There are plenty of opportunities for campers to see friends throughout the day. Individual beds cannot be reserved, and are assigned on a first-come basis on check-in day.

MEDICATIONS

All medications which your child requires while at camp, including over-the-counter (vitamins, creams, lotions, etc.) must be handed in to the Camp Health Supervisor upon arrival. The medication container should be clearly marked with the name of the child, the name of the medication, the dosage, and frequency needed. We distribute medication during meal times and at night. **We cannot dispense any medication that is not in its original container** and we can only give the dosage in the manner prescribed. If medications are needed to be dispensed at times or in dosages other than by what is prescribed on the bottle, you must bring a letter signed by your doctor stating the new dosage and/or times to be given.

SWIM CHALLENGE

All campers have the option of taking a swimming challenge during the opening day to demonstrate their level of ability. This helps to establish the safest areas in which the camper may swim or boat. Campers who are non-swimmers will be encouraged to take swimming instruction as a clinic, and should be encouraged to continue to learn at a local YMCA. Campers may re-take the swim challenge.

CLASS SESSIONS

Campers will register to participate in morning "class sessions" while at camp. These are emphasis areas in which your camper may choose to develop skills or strengthen her/his talents. There are more activities at camp than your child will possibly be able to do during one camp session. Please do not be disappointed if your camper does not participate in everything they desire, but encourage them to look forward to another year when they may participate in new activities. Pre-registration is not accepted for class sessions.

MEALS

A component of Camp Pepin's total wellness program is its meals. Our Food Service Director creates well-balanced and good-tasting meals based on sound nutritional guidelines. A salad bar is provided at all meals. Campers are encouraged to drink lots of water. Our camp Dining Hall can serve limited alternate foods if your camper requires uncomplicated special dietary needs. Please inform the office administrator of any special needs at least 3 weeks prior to arrival at (651) 800-9316.

For the best interest of the camper's health and the cabin group program, do not send candy, cookies, snacks, drinks or any type of food with or to your camper or cabin group. Well-meaning parents who send food to camp unintentionally make it most difficult for parents wanting to cooperate. Food in the cabins will attract mice, ants, and other critters, and cause "sharing problems" within the cabin. We would appreciate your understanding and cooperation. The camp menu provides a well balanced diet, and snacks are available at the Camp Store. Food packages sent to camp are held until the last day of the session and then given to campers as they check out.

CAMP STORE

We encourage all Families to put money into their campers account during registration! All money that is brought to camp is deposited in an account for your child to access during camp store time. Campers have the opportunity to purchase healthy snacks and drinks along with other souvenirs, such as T-shirts, hats, stuffed animals, and miscellaneous Camp Pepin items.

You will be given the opportunity to make a deposit into your child's camp store account when you check your child into camp (\$25-\$50 is a typical deposit amount). Your child will be informed of his or her account balance at each visit to the camp store. All remaining camp store balances will be donated to the Camp Pepin Scholarship Fund.

Camper Expectations

SHARED RESPONSIBILITIES

Personal responsibility and group cooperation are important elements of the camp experience. Mature, caring counselors work with campers on the importance of caring for one's personal area and belongings, assisting in daily cabin clean up, and pitching in on general camp tasks known as "shared responsibilities." We strive to imprint these characteristics on each youngster so they will carry over this industriousness to the home and school.

EXPECTED BEHAVIOR

Our staff is well-trained in positive behavior modification; therefore, please encourage your camper to follow the instructions of the Camp Pepin staff. Proper and appropriate interpersonal skills that are non-offensive and do not infringe upon the rights and the enjoyment of others are expected of everyone at camp, and any behavior that deviates from this will not be tolerated. Such behavioral issues are documented, and re-occurring or serious problems are brought to the attention of the parents or guardians, who (depending upon the situation) may be asked to pick up their camper prematurely. Any physical damage to camp property as a result of inappropriate camper behavior will be the financial responsibility of the camper's family.

Health and Safety While at Camp

SPECIAL EMOTIONAL/PHYSICAL NEEDS

Campers with special emotional or physical needs should be called to the attention of the Camp Director, Steve Heiny. We will make every attempt to serve campers who have physical or special emotional needs. We have a policy not to accept campers beyond our training or capabilities. Our outdoor setting can sometimes make it difficult to host campers with severe physical limitations.

BED WETTING

Our staff is trained to deal with bed wetting discreetly, working with your child one-on-one. Please notify your camper's counselor at check-in if your camper may wet the bed. Campers should be instructed to ask their counselors for help, and every effort will be made to prevent accidents. Please send a plastic sheet and extra bedding if you think they will be needed.

COMMUNICABLE DISEASES AND HEAD LICE*

To prevent an epidemic, a camper that has a communicable disease or head lice may not attend camp until the condition has been fully-treated (verified by a physician) and can no longer be transmitted to others. If a camper is diagnosed as having a communicable disease or head lice while at camp, the camper will be discreetly removed from camp activities and parents will be asked to pick up their camper as soon as possible. Any camper that leaves camp for such reasons may only return by undergoing a readmission check by our medical staff.

ILLNESS*

It is the policy of Camp Pepin not to keep sick campers more than 12 hours in our camp Health Center. Therefore, we ask that parents of campers who are ill for more than 12 hours to care for their child at home and see their family doctor. Transportation is not provided for campers returning home due to illness. A child who is sick before camp begins should be kept home for his/her own sake and for that of the others. Many communicable diseases begin with cold-like symptoms.

EMERGENCIES*

Emergency calls to campers should be done through the Camp Pepin office at (651) 800-9316. Routine scrapes, cuts, and minor illness will be treated by our medical staff. In the case of serious illness or accident involving your child, the medical staff will contact you directly. In the event you cannot be reached, your authorization signed on your Health Form allows us to secure prompt treatment.

INSURANCE

Camp Pepin does not carry accident or sickness insurance on summer youth campers. In the event of serious illness or accident, the parents/guardians will be notified at once. Parents/guardians are responsible for prescriptions and charges incurred for outside medical treatment of their child, should services be required while in attendance at camp. Services rendered by the camp medical staff are at no additional charge.

**It is our policy to refund pro-rated camp fees to any child who becomes sick and returns home for care (see "Refunds").*

Being Away From Home

HOMESICKNESS

Temporary homesickness is a normal reaction, particularly among new campers. Our staff makes a concerted effort to help campers overcome homesickness by helping them learn to accept the natural feeling of missing family and friends. We welcome the opportunity to help youngsters grow in this area and train our staff to handle homesickness in constructive and caring ways. With proper handling by staff, campers, and parents, it can be overcome, and the camper can make a big stride in growing up.

Campers look forward to hearing from their parents while at camp. It is suggested that letters or emails be upbeat in such a way that they will not make the camper homesick. Encouraging your camper and letting them know that you are very proud of them for going to camp and trying new activities will contribute greatly to staying off homesickness.

LETTERS AND EMAILS

Letters from home are an important part of the camp experience. Please write to your child at least once while he/she is with us. The address will be:

Your Child's Name
Session Attending
YMCA Camp Pepin
W10915 East Lake Dr.
Stockholm, WI 54769

Unfortunately, if you mail your camper's letter after Tuesday of the week they are there, it is possible they will not receive it in time. Therefore, try to mail one the Saturday before they leave for camp, and then one early in the week. Be sure to put your camper's name on the envelope. Also include a complete return address.

Campers will be encouraged to write one letter home each week. Do not be alarmed if the letters are brief and quite irregular as the youngsters are busy at camp, and "no news is good news" as far as campers are concerned. Also, early letters may sound upsetting, but usually by the time you receive the letter, the camper has adjusted and often forgotten what he/she wrote. Mail from Camp Pepin to Minneapolis/St. Paul can take up to 5 days, so some mail may be received after the camper has returned home.

Daily e-mails may be sent to your camper throughout the week. E-mails are printed in the Camp Office and delivered to your camper with the daily mail. Please note that your camper will be unable to respond to your e-mails, as this is a one-way account. Emails are of no cost. The e-mail address where you may write to your camper is:

camp@redwingymca.org

Please include your camper's full name as the subject of the e-mail (for example: "For John Smith"). Your camper will look forward to hearing from you!

PHONE CALLS

At Camp Pepin, we strive for campers to develop independence. An integral part of the growing process is the extended experiences away from home. In keeping with this, we do not permit phone calls to campers unless there is a family emergency. Also, please do not ask your child to call home. There are no public phones available for campers to call home. Parents will be contacted in case of an emergency or illness. If you have an emergency, please call camp at (651) 800-9316, and ask to speak to the Camp Director, Camp Administrator, or a staff member.

After Your Camper Leaves

LOST AND FOUND

Items that are lost during each camp session and not clearly labeled with a camper's name are set on a table in the Lower Dining Hall during check-out. Please check the table before leaving camp. Items remaining at camp after your camper's session will be kept for two weeks after the last day of summer camp; all unclaimed items will be donated to a welfare agency. It is the owner's responsibility to pay for shipping or to make pick-up arrangements for reclaiming lost items. Camp Pepin is not responsible for lost, stolen, or damaged personal items, clothing, or equipment.

PARENT AND CAMPER EVALUATION

We appreciate your immediate comments and feedback about our staff and program. If you see or hear of a problem with any part of our program or staff, please contact the Camp Pepin office so immediate corrections can be made. Our Camp Director is available to answer your questions or concerns. Please do not hesitate to call or stop by the Camp Office.

Additional Policies

REFUNDS, CANCELLATIONS, AND SESSION CHANGES

The registration deposit fee is not refundable under any circumstances. Cancellations after June 1st cannot be refunded, due to fixed expenditures which will have already been paid for by the camp. Fees for programs will be refunded only when campers are unable to complete that program due to an illness or medical issue requiring the documented attention of a physician. Homesickness and disruptive behavior are not conditions for refunding. Refunds after a camper has already arrived at camp will be made on a pro-rated basis for the un-expired portion of the session or campers will be offered to come back to another camp session for the days they have missed. Portions of a camp session that have been supported by a grant/scholarship or discounted are ineligible for refunding. Should it be necessary for you to change your camper's session, a \$25 transfer fee will be charged.

Final Suggestions from Experienced Parents

While we hope that the information in this handbook is helpful to you, nothing beats advice from those who have already gone through it. Here are some tips from experienced parents and guardians on getting ready for camp:

- Send pre-addressed envelopes (addressed to family, friends and neighbors) with young campers. Don't forget to secure the appropriate postage.
- Send old clothes the campers will recognize as being theirs, rather than a lot of new clothes they won't remember owning. Don't send expensive clothing or other valuable items.
- Label everything and pack light!
- Mail all of your forms and payments well in advance. If you have questions about the forms, payments, or anything else, ask these well in advance, too. It will save time at check-in.
- There are more activities at camp than your child will possibly be able to do during one camp session. If your camper did not do all the activities she/he wanted, encourage her/him to look forward to next year.
- Remember that you are probably more anxious about camp than your camper, who will discover that the week goes by very quickly because there is so much to do.
- Your camper will probably come home tired, and may need additional rest after a week of high-energy activity.
